MEMORANDUM FOR: All Photographic Intelligence Center CIA Personnel

SUBJECT: Establishment of the CIA Photographic Intelligence Center

1. As of this date the establishment of the CIA Photographic Intelligence Center within the DD/I Area has been formally approved. The organization as set forth in TCS-2821/58, "Proposal for Establishment of Photographic Intelligence Center", copies of which are available in each Division Office, has been accepted without change and is now in effect.

2. The grade structure for the Center has not been finally approved and will be the subject of further study and discussion on or about 3 September. Accordingly, no personnel shifts will be effected until these discussions have taken place.
